by
Becoming a Member of A.C.E**
(Academic Cooperative for Excellence in Education)

A.C.E sponsors student incentive-based programs such as the Student Reward Card Program, Academic T-Shirts, Local Scholarships, and classroom Mini-Grants.

- **To become a supporting member of A.C.E , or to renew your current membership**, simply fill out the membership application below and return, via, interoffice mail, the application, along with payment, to Courtney Spatar at Logan High School. Make checks payable to Logan-Hocking School District/A.C.E
- **An alternative to a one-year membership is a continuing membership.** Many employees participate in this manner by contributing \$1 or more per pay period. By doing this, you will remain a current member and never have to renew your membership. To become a continuing member, complete both the form below (check "Continuing") and the Payroll Deduction form on the back. Return, via interoffice mail, to Courtney Spatar at Logan High School. Your contribution will then be deducted from your paycheck each pay period. If you are already a continuing member, you do not need to do anything.

Thank You for your support!
